Product Notice

Regions Affected: Asia Pacific Exc. China

Subject: The discontinuation of RAEGuard Transmitters and RAE Controllers

Dear Customers, Partner and Colleagues,

After much deliberation, we have decided to discontinue the RAEGuard Transmitters and RAE Controllers effective February 28, 2015.

Alternative Offering

- XCD/XNX replacement options for the RAEGuard EC, LEL and IR
- RAEGuard 2 PID replacement options for the RAEGuard PID
- Touchpoint 1 replacement options for the FMC-10
- Touchpoint 4 replacement options for the FMC-40
- System 57 replacement options for the FMC-60

For any detail request for Honeywell branded replacement products, please contact Honeywell Analytics region sales managers.

Last Order Date

The last order date for the RAEGuard Transmitters and RAE Controllers will be February 28, 2015. We will accept orders based on material availability.

Service and Support

We will continue to support the products already in the field with sensors, spares and accessories until February 28, 2019. Service teams will continue to provide support and repair during this time.

If you have any questions regarding the notice, please contact Jie Chen Email: Jie.Chen2@honeywell.com . Telephone: +86 (0) 21 2894 2603.

Best regards,

Jie Chen
